Employee of the Month!

Congratulations to our Employee of the Month, Keely Beene! Keely is always very pleasant with both prospective students and active students needing an ear. She doesn't let their problem just get passed on to someone but takes an active role to make sure it gets solved. She has gone above and beyond for students and has received many compliments by them on how helpful she has been to them! She truly cares about the students, the school, and the staff and faculty. Central Oklahoma College is honored to have Keely on our team!

Cosmetology Students visit Blo. Beauty Bar!

Our students had the privilege of visiting Blo. Beauty Bar in Chisholm Creek. Blo. has hired our graduates, from cosmetology graduates to esthetician graduates. They even ran into our Cosmetology graduate, Brittney Andrews! The students had a great time and were excited they were able to tour their beauty Salon.
