

April 13, 2020

All Current and Future Students,

Throughout each week, our organization conducts numerous daily Zoom calls with faculty and staff. We discuss best practices, ways to improve our education, and how to help support you. The daily feedback from the faculty is amazing. Your level of engagement, flexibility, and ability to adapt to this temporary transition is incredible. Keep up the great work, and don't lose sight of your goals. We are so proud of all of you!

Graduates:

For those of you who are scheduled to graduate this week; We congratulate you! We will reach out to you regarding the process. Please remember when classes are on campus again, you are welcome back to brush up on any areas of training at no charge.

New Students Starting in April:

For those of you who are starting school this month; We welcome you! We will be in touch early this week to provide you details regarding orientation as well as information on receiving your necessary books and supplies.

As a reminder, **our return date to on campus classes is May 4, 2020**. Because information is changing on a daily basis the school has plans in place to continue online classes for current and future students if the May 4, 2020 date is extended. Either way Central Oklahoma College is ready to make sure your education will continue.

Important Links:

The CDC is recommending that everyone wear a mask when in public. Here is a link with instructions to make masks out of items you may have at home. Even one that uses an old T-shirt!
