Financial Aid Information

Central Oklahoma College's Financial Aid Office is available to assist students with developing a financial plan to pay for school. For those students needing financial assistance, federal student aid is financial help available to eligible students and assists with paying for educational expenses while attending school. There are many types of financial aid available for qualifying applicants which includes grants that don't have to be repaid, as well as low-interest, government-backed loans that must be repaid. Federal Student Aid eligibility is based on individual student information and all students may not be eligible.

Basic eligibility requirements include:

- * Be US or eligible non-citizen,
- * Demonstrate financial need,
- * Have a HS Diploma or GED
- * Not be in default on a federal student loan or owe a repayment on a grant,
- * Maintain Satisfactory Academic Progress
- * Be registered with Selective Service, if required,
- * Have a valid Social Security Number, and
- * Be working towards a degree or certificate in an eligible program.

Federal Student Aid Programs Available for Application

- Federal Pell Grant
- Subsidized Stafford Loan
- Unsubsidized Stafford Loan
- PLUS Loan

To apply for federal student aid, students must first complete the Free Application for Federal Student Aid (FAFSA). This application form can be obtained in paper format from the FA Office or can be completed and submitted online at: www.fafsa.ed.gov. The Student Aid Report generated after the FAFSA is completed, in addition to institutional and other applications, will be used to determine your eligibility for aid.

Return of Federal Student Aid

The calculated amount of the Return of Title IV (R2T4) funds that are required for the students affected by this policy are determined according to the amount of time a student spent in academic attendance, and the total aid received. Title IV funds are awarded to the student under the assumption that he/she will attend the College for the entire period for which the aid is awarded. When a student withdraws, he/she may no longer be eligible for the full amount of Title IV funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined by a specific formula based on a pro-rata basis. If the amount disbursed is greater than the amount earned by the College, unearned funds must be returned.

More information regarding the return of federal student aid and refund policies can be obtained from the Financial Aid Office.

Drug Conviction Effects on Federal Student Aid Eligibility

Any student convicted of selling or possessing illegal drugs while receiving federal student aid may become ineligible for aid for all or part of the school year depending on the type and number of convictions.

Additional financial aid information can be obtained from the Financial Aid Office or going to: www.ed.gov
