July Employee of the Month- Lauren Reser

-Lauren Reser, Director of Student Services

"Hi, I'm Lauren. I am currently Director of Student Services. I have worked here at Central Oklahoma College, for almost 5 years. I am originally from Memphis, TN. I moved to Oklahoma with my family in 2018. I have two kids, ages 12 and 5. I just got back into school to finish my Bachelor's degree in accounting. I have enjoyed being in Student Services. I get to watch students become excited learning a new skill, and/or become more confident in their abilities. I also get to hear about student triumphs, both personal and professional. During the time that I am not in the classroom, I still like to check in and offer encouragement, as well as learn about what our students are learning in the classroom and clinic.
