# September Employee of the Month-Carolyn Callies

**-Carolyn Callies, Admissions Representative**

Hi, my name is Carolyn and I work as an Admissions Representative at Central Oklahoma College. June 5<sup>th</sup> of this year marked my 14<sup>th</sup> year working for the College and it has been a privilege to play a role in helping several of our graduates begin their journeys in a new career field by helping them to enroll in school. One of my favorite parts of working here has been to hear about the diversity of backgrounds and life stories that make up our student body. So many of our students have made incredible sacrifices and overcome considerable obstacles to make their goals become a reality; their stories of perseverance and determination never stop being a source of inspiration for me.

I love the camaraderie of my work family; it makes the time invested away from home seem well spent. My family at home has to hear about my work family just as much as everyone here has to listen to me tell stories of home during the week! When I am away from work, I love to spend time with my husband and kids, reading, watching movies and traveling as much as I can.
